### TASK 3

(10x1=10 marks)

You will hear a broadcast about Video Games in the Olympics. Listen and underline the correct word in brackets.

#### Video Games should be in Olympics.

A designer of the World of Warcraft **1. (game / gate / grade)** has said video games **2. (should / could / would)** be in the Olympics. Rob Pardo told the BBC that video games -also called e-sports- should be an Olympics **3. (ever / event / eve)**. It would make the Olympics more modern. Millions of people love playing and watching **4. (collective / collaborative / competitive)** gaming. Mr Pardo said professional gamers need to be "**5. (lightning / light / lively)** quick". They have to make hundreds of **6. (sad / sudden / sunken)** decisions in one game.

It is difficult to get e-sports into the Olympics. People do not think it is a real sport because it uses **7. (terminology / technology / typology)**. Pardo says it is a sport because it needs **8. (natural / physical / physiological)** effort and skill. He thinks it is better than many Olympic sports. PC Magazine said there could be an international **9. (competition / composition / constitution)** just for e-sports. This could be like the Olympics. It means gaming would be the **10. (mate / main / male)** event. In the Olympics, gaming would be one of many sports.
